some seem to be just a little timid  
about sending in their own names. Let

appears in The Expositor. We can't  
always find out when you are going

My boy was taken with a disease re-  
sembling bloody flux. The first thing  
I thought of was Chamberlain's Colic,  
Cholera and Diarrhoea Remedy. Two  
doses of it settled the matter and  
cured him sound and well. I heartily  
recommend this remedy to all persons  
suffering from a like complaint. I  
will answer any inquiries regarding it  
when stamp is enclosed. I refer to  
my county official as to my reliability.

Below is what the Port Huron News  
of August 7th has to say of one of our  
citizens: "Samuel White is a hotel  
keeper at Yale, and had intended tak-  
ing out a license July 1, but was delay-  
ed for some time. When Prosecuting  
Attorney Avery went away for a week's  
vacation, White came to town and  
took out a license dated from August  
1. Mr. Avery arrived home Monday  
and looking over the books at the  
county treasurer's office saw the item.  
A note was dropped to Mr. White re-  
questing him to come to the city and  
pay the costs and also a license for  
selling liquor through July. The re-  
sult was that \$51 were added to the  
county treasury."

When the russet shoe came in there  
were many conservative people who  
thought that they could never wear it.  
But the russet shoe is really a good  
thing. In dusty summer weather the  
russet shoe possesses the merit speci-  
fied by the old lady who bought brown  
tea-cups because they would not show  
the dirt.

ful meeting in the Church of Christ at  
Menerey's Corners on Tuesday night  
with twelve additions to the church.  
He is now holding forth the word in  
the Carless school house. The audi-  
ences where he closed were very large  
and he proved that the love of God in  
Christ is the only treasure of which  
time cannot rob us. His service is the  
only enjoyment that cannot be taken  
from us—the hope of heaven, that  
which alone can cheer and support  
the heart amid the change and part-  
ings of earth.

Kenneth Bazemore had the good  
fortune to receive a small bottle of  
Chamberlain's Colic, Cholera and  
Diarrhoea Remedy when three mem-  
bers of his family were sick with  
dysentery. This one small bottle  
cured them all and he had some left  
which he gave to Geo. W. Baker, a  
prominent merchant of the place,  
Lexington, N. C., and it cured him of  
the same complaint. When troubled  
with dysentery, diarrhoea, colic or  
cholera morbus, give this remedy a  
trial and you will be more than  
pleased with the result. The praise  
that naturally follows its introduction  
and use has made it very popular. 25  
and 50 cent bottles for sale by Will  
Lennon.

Lexington News: President Brennan  
of the Port Huron & Lexington rail-  
road, was in town Monday. He made  
an effort to secure additional aid for  
the railroad, but was not successful.  
Our citizens feeling that \$30,000 was all  
they could afford to put into it. The  
News was informed that Mr. Brennan  
went away very much discouraged,  
but still with the determination to  
carry the work to a successful termi-  
nation. Mr. Brennan is to be admired  
for his pluck and determination, and  
deserves to succeed. And if he does  
succeed there is money in it for Bren-  
nan, and that is one reason why we  
think he will yet carry out his plans in  
spite of present difficulties.

all its terrors by this great remedy. No  
sufferer should be without it. 50 cts.
